

Sydney Harbour Tall Ships

The Ultimate Harbour Cruise

Sydney Harbour Tall Ships

Charter Your Very Own 19th Century Tall Ship!

Join us for an experience of a lifetime as we set sail on the world's most beautiful harbour on an 1850's style tall ship. This unique and historic venue will capture the imaginations of all your guests.

The magnificent "Southern Swan" is Sydney's only authentic timber tall ship, making her a stand out venue for all types of corporate events:

- Christmas parties & celebrations
- Client entertainment
- Staff rewards
- Product launches & promotions
- Team building
- Conference "break outs"
- Executive days
- End of financial year party

I would just like to say what a wonderful day we all had; the staff on board were extremely helpful and polite. There was plenty of food and drinks and I have received great feedback from all on board, even suggestions that this is what we should do next time. Please pass on our thanks to all concerned as we had a fantastic day.

Sydney Harbour Tall Ships

Corporate Hospitality

You and up to 90 guests are welcome to get involved and help hoist the sails or simply sit back, relax and enjoy the tall ship atmosphere and entertainment. Your host and sailing crew interact with guests to ensure your group receives a personalised service that you won't find anywhere else.

Watch in awe as the crew climb the rigging and masts to set the top sails!

You can fully customise and personalise your charter and itinerary.

Sail the harbour from The Rocks to the Heads.
Stop over at Cockatoo Island?
Take a break at Watson's bay or in front of Taronga zoo for some live music?

We will work with you to design a customised experience.

Treat your guests with great views, unique tall ship entertainment, and wonderful dining. We offer a variety of menus to suit all groups including premium canapés and seafood buffets as well as our popular hearty barbeque menus.

Thanks for a great evening yesterday; great experience and a great way to see the Harbour. The team on the charter were great, and the IBM and GrainCorp guys had a fantastic time. Again, thanks for a great function, and hopefully we can do it again someday.

Team Building

Team building events aboard the Southern Swan can be as interactive as you wish. We have a wide variety of options available ranging from pirate themed treasure hunts through to some team sail hosting followed by a relaxed meal with drinks.

Our professional team building crew have a lot of experience working with corporate groups and will develop a program to suit your needs and best achieve your event objectives. For instance, we can organize navigation exercises, which require team work, run competitions, treasure hunts and create a program to reinforce your organisation's key messages.

Some of the fun, interactive and challenging activities available include:

- Navigation exercises
- Treasure hunts on Cockatoo Island
- Laser clay shooting
- Sail hoisting and setting
- Water pistol duels
- Various competitions and more....

Having your staff come dressed up in a theme such as "pirates" is often a great way to create a fun atmosphere and encourage interaction thereby building better working relationships.

Whatever you choose, we will work with you and guarantee to deliver a team building day with outstanding results.
