Let two become one on Sydney's only authentic Tall Ship

Choose a venue of style and romance with Sydney's only authentic timber tall ship the *Southern Swan* for an absolutely unique and memorable union on Sydney Harbour.

Picture yourself on your big day, family and friends around you, all together on a magnificent Tall Ship to witness the beginning of your life's greatest adventure!

With its 1850's style, our beautiful *Southern Swan* is a truly outstanding wedding venue that will capture the imagination of all your guests. No matter if you want a classic, formal, casual or themed wedding; we guarantee an event with a difference.

The *Southern Swan* is an intimate venue, suitable for a maximum capacity of 90 guests.

Our Wedding Services

At Sydney Harbour Tall Ships we understand that brides and grooms have their own individual style, therefore we tailor your wedding to your specific requirements.

We have had many traditional and themed weddings onboard, so talk to our wedding planner about creating your perfect wedding and watch your dreams become a reality.

There is no limit to how long you can hire the ship; boarding and drop off can be at your ideal location on Sydney Harbour and you can decide where you wish to go. Our captain and crew will be entirely at your service and will do their very best to create the best possible atmosphere on the day.

A vast array of wedding services are available, ranging from decorations, set up, celebrant recommendations, flowers, music or live entertainment to complete the event.

We also offer a wide range of food and beverage menus for you to choose from, including finger food or buffet options prepared by our Gold Licence caterer. Please be aware that the ship does not have many dining tables onboard and therefore is better suited to our finger food menus. Please feel free to ask if you have any special dietary requirements.

We also offer many entertainment options including singers, musicians and professional DJs to help create the perfect atmosphere on your important day.

Wedding Ceremonies

Why not have your ceremony onboard and celebrate your union in old world style sipping champagne while you cruise slowly past the Opera House? Take in the stunning views of the Harbour Bridge and watch the city light up the sky as you take your vows on the most beautiful harbour in the world.

The bride can arrive via water taxi while the Southern Swan sails the harbour, or we can even organise a second pick up from a separate location. A favourite choice is for guests to depart from Campbell's Cove at The Rocks and pick up the bride from the Man O War Steps wharf near the Opera house. Once again, you are only limited by your imagination...

Wedding Receptions

A wedding reception onboard a tall ship is without a doubt one of life's most memorable experiences. Onboard our 1850s style square rigger, you and your guests will enjoy a real sailing experience, delicious food, excellent personal service and breath-taking views of Sydney's most spectacular harbour.

Be it a formal, semi formal or casual wedding, our historic tall ship will glide upon Sydney harbour's sparkling waters while you, your family and friends enjoy live music or a DJ for dancing the night away. The Southern Swan can also become a pirate ship for a fun themed wedding.

Harbour Island Weddings

Your reception can also be held on a nearby harbour island such as Shark or Clarke Islands. You can use the ship for the ceremony only, or for a few drinks and canapés to provide an extra special element on your big day, finishing your enchanting harbour cruise with a drop-off at your ideal location. We are able to provide everything you need for a beautiful wedding, including sumptuous food, drinks, marquees, tables, chairs, linen and much more.

Transfers

Sydney Harbour Tall Ships also offers separate water transfer services for your wedding.

Step onboard and we'll transport your guests to the ceremony or reception venue in old world style, adding a unique touch to your dream wedding.

We can dock at several locations around the harbour including The Rocks, The Opera House, Pyrmont Point Park, Shark Island or Darling Harbour, just to name a few.

You are sure to delight your family and friends on your special day when you turn a simple transfer into an extraordinary and memorable experience.

Wedding Photographs

The Southern Swan is one of Sydney's most magnificent venues and the ideal setting for unique wedding photos that you will treasure for a lifetime. Step onboard and ask our captain to take you where you want to go in order to capture your most original wedding shots on picturesque Sydney harbour.

Picture both of you on a 1850s style tall ship, sailing and enjoying the sea breeze with The Opera House and Harbour Bridge in the background. Make your big day history and be sure to impress and amaze generation after generation.
